

# CROSS RANCH STATE PARK: ACTIVITIES AND EVENTS

## **FRIDAY, MAY 27**

*9:30 p.m. Technology of Lewis and Clark Film.*

*Meet at the amphitheater at 9:30 pm to watch a 50 minute film about the technology Lewis and Clark used on their journey west. See how they built Fort Mandan, made dugout canoes and navigated their way to the Pacific Ocean. Popcorn will also be served for this big screen event.*

## **SATURDAY, MAY 28**

4:00 p.m. Dakota Explorers: Fun for kids of all ages.

Let's play "ANIMAL TIC-TAC-TOE". Meet at the amphitheater to learn interesting facts about native animals, win prizes and have fun.

8:00 p.m. "Lewis & Clark GREAT JOURNEY WEST", a 70 minute film covering the first crossing of what would become the United States. See and feel trade goods and furs used in the fur trade era.

## **SUNDAY, MAY 29**

9-11 p.m. Meet in the River People's Visitor Center for coffee and conversation. Visit with park staff and other guests. We provide the coffee, you provide the conversation.

9:00 p.m. Meet at the Cross Ranch amphitheater to find out what you might do in a survival situation. How would you go about stopping a runaway horse or treat an animal bite in the wild.....

9:30 p.m. "Rivers of North America: The Missouri River" will be showing on our big screen at the amphitheater. This film will provide an interesting background on the "Big Muddy". Fresh popcorn will be served.
